Good Morning HCPs Families,

- A reminder that there is a PD Day on **Friday, June 6th**. There is no school for students on this day
- Students did a great job during our Fire Drill on Friday. The focus was practicing lining up quietly while teachers quickly took attendance. We will have another Fire Drill on **Wednesday, June 11th**.

Grade 1 students have been learning about the Butterfly life cycle and on Friday several grade 1 classes released their butterflies at the front of the school. There was much excitement and amazement seen in their faces. More butterflies will be released this week.

Warm Weather Tips: It looks like we will have some hot and humid weather this week. To keep your children safe from the harmful rays of the sun and the heat, please consider the following ‘sun smart’ strategies:

- apply sunscreen every morning;
- wear light loose fitting clothing;
- send a refillable water bottle
- come to school wearing a sun and/or baseball cap;
- **practice self-application of sunscreen with your child;**
- aerosol sprays are **not** permitted but you can send a bottle of unscented sunscreen (non-aerosol) in your child’s backpack so that they can re-apply throughout the day (label the bottle with your child’s name)

Lost and Found: Please take a look at the photos (end of this newsletter) of the lost and found items that have been sorted and put out for students and parents to go through. Please stop in and collect anything that belongs to your students! Whatever is not collected will be packaged up and donated at the end of the week. Thank you to the School Council for organizing this!

June is Pride Month, an important opportunity to celebrate diversity, honour the rich histories and achievements of 2SLGBTQ+ individuals, and acknowledge the ongoing challenges that 2SLGBTQ+ communities continue to face. At Huntley Centennial PS we are proud to promote and celebrate diversity and acceptance of all individuals throughout the year.

Have a great week!
Jeff and Meghan

End-of-Year Staff Appreciation Lunch

As the school year winds down, the Parent Council is organizing an End-of-Year Staff Appreciation Lunch and Salad Bar to express our gratitude to the incredible teachers and staff at Huntley Centennial Public School. The event will take place on Thursday, June 5th in the school library.

We are looking for parent volunteers to contribute salad and accompaniments (e.g., toppings, sides, dressings, rolls) to help make the lunch extra special. If you are able to help, please sign up using the Google Sheet linked below. All food items should be delivered to the school either the evening before or the morning of the event.

In addition to the lunch, we will also be sharing a Virtual Thank You Card with our teachers and staff, and we would love for as many families as possible to participate. You can contribute by adding a personalized message to the card - highlighting a teacher or staff member who has made a meaningful impact on your child's year. Anecdotes are especially encouraged, and you're welcome to submit multiple messages if your child has had positive experiences with several staff members.
